

The League of Extraordinary Senses

SCENARIO #1: Annemarie leaves her house, and the sun is shining brightly.

Which Sense would help protect her skin from the sun?

CORRECT SENSE: *Touch - Toulouse LeTouch instructs Annemarie to apply sunscreen in order to protect her skin from sunburn.*

SCENARIO #2: Annemarie hears a dog barking behind a gate. Which Sense would alert Annemarie to the potential dangers of an unfamiliar dog?

CORRECT SENSE: *Hearing - Amelia Ear instructs Annemarie to listen for the dog's barking and shut the gate.*

SCENARIO #3: Annemarie approaches a blinking "Don't Walk" sign. Which Sense would alert Annemarie to the sign?

CORRECT SENSE: **Sight - Sir Edmund Eye** instructs Annemarie to see the blinking sign and not to walk across the street.

SCENARIO #4: While crossing the street, Annemarie encounters a fire. Which Sense would alert Annemarie to the fire?

CORRECT SENSE: **Smell - Nose Wong** instructs Annemarie to use her sense of smell to alert her to the fire and call 911.

SCENARIO #5: A fire truck with blaring siren approaches to put out the fire. Which Sense would alert Annemarie that the truck is coming?

CORRECT SENSE: **Hearing - Amelia Ear** instructs Annemarie to use her ears to hear the siren of the fire truck and move out of the way to safety.

SCENARIO #6: Annemarie sees a food stand and wants to get some milk. Which Sense would help Annemarie determine whether the milk is safe to drink?

CORRECT SENSE: **Taste - LaToya Tongue** instructs Annemarie to use her sense of taste to find out if the milk is sour.
